

Zone 2 Fact Sheet

What is the Ohio Action For Healthy Kids (OAFHK)?

OAFHK is a statewide initiative dedicated to improving the health and educational performance of children through better nutrition and physical activity in schools. Healthy schools produce healthy students. Healthy students are better able to learn and achieve their true potential.

The goals of Ohio Action For Healthy Kids are:

- **Increased participation in school breakfast**
- **Healthy foods in all school venues**
- **Adequate physical activity in the school day.**

Which Counties Are in Zone 2?

Ohio Action for Healthy Kids is divided into 10 regional zone teams to create change in schools at the grassroots level by collaborating with local schools, organizations and child health advocates. Regional zone teams work at county, school district and school building levels to improve nutrition and increase opportunities for physical activity in Ohio schools. The following counties in northwest Ohio are located in Zone 2: Allen, Auglaize, Hancock, Hardin, Logan, Mercer, Putnam, and Van Wert.
